In Their Own Eyes: Inside-Out/Outside-In

PASTOR'S NOTE:

Hey Church... HAPPY MOTHER'S DAY. Make sure to grab a bottle to fill with change (or more) to help support the local Pregnancy Resource Center. What better way to celebrate Mother's Day than to do our part in supporting new moms in need. The bottles are due back by Father's Day.

We continue today in our series on the Book of Judges. As we saw last week, this was a tumultuous time in the ancient world. One of struggles that the Israelites wrestled with is the same struggle that we wrestle with today: will we allow outside forces (the culture around us, for example) to change us? Or will we be changed from the inside out? The kind of change that can only happen through a right relationship with God? Don't settle for mediocre!

Thanks for being with us today!
-Pastor Jon
